RE: Scope determination on antidumping duty order on carbon steel butt-weld pipe fittings from the People's Republic of China (A-570-814).

1. On 08/15/2016, in response to a request by Westlake Vinyls Company, Commerce issued a final scope determination that the carbon steel butt-weld pipe fittings from the People's Republic of China that was imported by Westlake Vinyls Company as a component of the engineered and manufactured pipe spools that Westlake Vinyls Company imports are within the scope of the antidumping duty order on carbon steel butt-weld pipe fittings from the People's Republic of China (A-570-814).
2. Because the imported products (the pipe spools) contain components that meet the language of the scope of the antidumping duty order, i.e. that the relevant components are pipe fittings meeting the dimensional criteria, are imported in either finished or unfinished form, and are incorporated into pipe systems as envisioned in the scope of the order, Commerce found this particular component of the pipe spools to be within the scope of the order on certain carbon steel butt-weld pipe fittings from the People's Republic of China.
3. Continue to suspend liquidation of entries of carbon steel butt-weld pipe fittings from the People's Republic of China, including carbon steel butt-weld pipe fittings that are components of engineered and manufactured pipe spools imported by Westlake Vinyls Company described above, subject to the antidumping duty order on certain carbon steel butt-weld pipe fittings from the People's Republic of China.
